Hello Pavithra,

This is to congratulate you on successfully completing the software testing training program at Moolya Ed.

You joined this program in June 2022 and completed your 4 months of training in September 2022. In this program, you had gone through modules in Functional Testing, Automation Engineering & Performance Engineering. As part of your learning experience, you did well in all the projects and assessments that were shared with you.

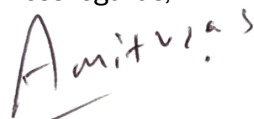

The entire Training team and the support team have acknowledged your commitment to the program and the utmost sincerity with which you conducted yourself throughout your engagement with us.

We are sure that you will continue your journey of learning software testing in the years to come & become a thought leader in this space.

With that, we wish you the best in all future endeavors.

For verification purposes and to enquire on modules trained on, Please reach info@moolyaed.com

Best regards,

Amit Vyas

Chief Executive Officer - MoolyaED

Certificate of Completion Congratulations,

PAVITHRA S

For successfully completing the Software Testing Training Program from Moolya Ed.
This program included areas in Functional, Automation & Performance Testing.
